## Representative Rogers Makes Announcement

"At the request of many of the leading Democrats of our County, who have urged me by letter, by petition and in person to announce my candidacy to succeed myself as Representative of Polk County in the State Legislature, I have decided, after giving the matter mature consideration, to accede to their expressed wishes in this important matter, and to make known my intention of becoming a candidate for Representative in the Democratic Primary to be held May 25th, next. I do this with the sole object in view of being of service to the people of my County, and of the State at large. With the experience gathered in three terms which I have served in the Legislature, and with my knowledge of conditions affecting our County and State, I feel that I am qualified to give to our people the representation in Raleigh which they desire. Being under obligation to no individuals or factions, I am in a position to give undivided service to the citizenship of our County, and if nominated and elected, I pledge myself unreservedly to do this.

"I value most highly the confidence which the voters of Polk County have given me in the past, and I will do all in my power to continue to deserve and hold that confidence, and will appreciate their support at the polls in the coming Primary.

"Carroll P. Rogers,"
