

Bacon and Vining Speakers At Civic Meeting

Senator F. P. Bacon and Seth M. Vining were speakers today noon at a joint meeting of the Rotary, Kiwanis and Chamber of Commerce. President K. A. Bowen of the Chamber of Commerce was in charge of the program. The Speakers gave a report of their trip on the Mayor's Tour of Florida.

Their reports showed that thousands of pieces of Western North Carolina booklets were distributed, 58 newspapers published accounts of the Mayor's tour and 18 radio stations broadcast the resources of Western North Carolina. They also reported that Western North Carolina needed more organized recreational activities and a better program of advertising.
