

## Hunter Trials On Wednesday At 2:30

The Tryon Riding & Hunt Club will hold their annual Hunter Trials on Wednesday, March 20, at 2:30 p. m.

Many outside horses are stabled in Tryon at this time and the competition is expected to be very keen.

Becky Lanier Trimpi is flying down from New Jersey to judge the event. She is considered one of the outstanding horsewomen in America.

An interesting course has been laid out over Carter Brown's farm, the old LeMort place in the Hunting country, and from the top of the hill a fair view of all the jumps can be had. Chairs and parking space will be provided.

Baxter Radford has returned to Mill Spring after an operation at St. Luke's hospital.

### *Quoting an Eminent Physician:*

**Quote:** Most useful and safest stimulant is caffeine, principal active ingredient of coffee and tea. A moderate amount such as is contained in one or two cups of coffee . . . heightens the intellectual functions, increases the efficiency of the muscles, and lessens the feeling of fatigue. **Unquote.**

The trouble is that some coffees are stale and rancid, and cause indigestion and wakfulness.
