

Federation Making Market For Polk County Poultry

President James G. K. McClure of the Farmers Federation, stated this morning that beginning next Monday the Tryon branch of the Farmers Federation would start buying all the poultry offered by Polk County farmers at market prices. Special trucks will be at the Federation every Monday to pick up the poultry for shipment. Manager Archie Butler of the local Federation says the poultry should be brought in before 4 p. m., each Monday.

You are invited to the Third grade chapel program on Friday, March 22nd, at 12 o'clock. It is a short play, entitled "C" is for clean up. We are giving this play as our contribution towards observing Clean-Up Week and we hope you can come.
