400,000 HOMES IN NORTH CAROLINA HAVE RADIOS

Many thousands of these radios are five and six years old, and do not bring the owner the type of radio reception to which he is entitled.

We have on hand many of the 1940 MODEL PHILCO RADIOS WITH BUILT-IN AERIALS. These are the last word in radio design, and performance. We are prepared to offer a LIBERAL TRADE-IN ALLOWANCE on your old radio for one of these 1940 Model Philco Radios.

Come in and see us, or phone for one of our men to come to your home and discuss the proposition. We will gladly make a home demonstration.
