New Registration of Voters Is Called

Chairman Roy Baisden of the Polk County Board of Elections has announced the call for a new registration of all voters in Polk County who wish to participate in the coming primary or general election in November. No matter how many times a person may have voted in the past he must register again if he wishes to vote in the coming primary which is being held this year for the Republicans as well as the Democrats. Mr. Baisden states that registration will begin on Saturday, April 27th and close on Saturday, May 11th, until sun set at all precincts in the county.

The members of the County Election Board include Chairman Baisden, of Saluda; J. C. Walker, of Columbus; and Republican member, R. S. Ramsey of Columbus.

The board will meet on Saturday, April 6th, at the Court house in Columbus to name the judges and registrars for the six precincts. There will be one registrar and two judges for each of the townships of Columbus, Green Creek, Cooper's Gap, Saluda, Tryon and White Oak.
