Stores to Close On Thursday Afternoons

Most of the stores and business houses in Tryon have agreed to close their doors every Thursday afternoon at 1 o'clock during the months of June, July and August in order for the clerks and employees to enjoy a half holiday together with parties, games, fishing, trips, etc. The promoters state that industrial employees, farmers and many others have Saturday afternoons off throughout the year, and the Thursday afternoon closing will give the storekeepers a break.

Softball Wednesday

The Tryon high school and the Adams-Millis teams will play a softball game on Wednesday afternoon at 5 o'clock at Harmon Field. Everybody invited.

Two Fires Sunday

The Tryon Volunteer Fire Dept. was called to two houses on Sunday afternoon. One was the J. Foster Searles house occupied by Mr. and Mrs. Louis Stearns where paper was burning in a chimney; and the other was at Marvin Edwards house where a defective oil stove caught on fire.

The Germans are continuing their drive through Holland and Belgium.

CURB REPORTER

For many years C. W. Ballenger has been building up one of the biggest Hound Shows in the Country. John H. Allen of Iuka, Mississippi, who judged this year's show writes to President Carter Brown: "You have a great show at Tryon. In fact it was the best class of hounds I have ever seen. There were several hounds there that could not place in Tryon that could win in most shows. I wish for the Tryon show that it continues to be one of the very best shows in America. And it will be as long as the high class gentlemen that run it continue to do so." . . . Once a Tryonite, always a Tryonite, seems to be true. J. B. Vandiver of New York called at the Ballenger Co., the other day and said it was his first visit here since 1886, 54 years ago, when Ballenger & Smith were in business where the Ballenger Co., is now. He plans to be here about a week more. . . . Our Chinese correspondent sends us a Rotary Club bulletin of the Tsingtao, China, Rotary Club which contains an interesting account of Rotarian Eugene Turner's talk on 100th anniversary of the use of adhesive postage stamps. Mr. Turner calls Tryon home and spends his Sabbatical vacation here every seven years. . . . A number of big dailies located in college towns turn the management of
