Tryon Population 363 Over Last Census

Mayor E. E. Missildine of Tryon, Mayor H. L. Capps of Saluda, and Mayor John Burgess of Columbus have been notified by Census Supervisor Chas. Z. Flack of the preliminary result of the recent census taken in their respective towns. According to the reports (Subject to Correction) Tryon has gained 363 more people since April 1, 1930, when the population was listed then at 1,670. The new figure is 2,033. This includes only the people within the town limits and does not take in all the newcomers in the Valley, Pacolet Hills, Hunting Country, Lvn Road beyond the rock bridge, Wilderness Road, Country Club section, Lake Lanier, and much of Gillette Woods.

Columbus the county seat has gained 50 people, jumping from 340 to 390.

Saluda lost 21, dropping from 558 to 537, but this does not include the immediate section around Saluda whose beautiful knolls and peaks are attracting summer home-seekers. The area between Columbus and Mill Spring is also growing.

No Blackout of Mercy

Polk County is making a great response to the desperate needs of people in war-ruined areas of Europe. This morning gifts to the Red Cross War Relief Fund amounted to \$1,171.48. Of this amount \$5.01 came from the Tryon colored school for the National Children's Fund, a fine response.
