Welcome Greenville!

Mayor E. E. Missildine reported this morning that the delegation of Greenville, S. C., Citizens who planned to come to Tryon today on a good will mission, would make the trip anyway regardless of weather conditions. They are due here about 4 o'clock for about a 45 minutes stay. Mayor Missildine, President K. A. Bowen of the Tryon Chamber of Commerce and Playground Commissioner C. J. Lynch were making plans this morning for local citizens to greet the delegation at Sunnysdale or Harmon Field, depending on the weather.

The Greenville delegation is expected to consist of about 125 citizens including a band.

A large number of Tryon's citizens were born in Greenville county and the Piedmont Boy Scout camp and Lake Lanier are located in Greenville County. Tryon and Greenville can profit much by closer cooperation, friendly associations and good will. Greenville and Tryon are joint heirs to a section of scenic beauty that needs only the cooperation of wide-awake communities to get the most benefit from it.
