Softball News

Due to so much rain during the past week only one game was played—that between the High School and Kilowatts Friday afternoon. With the score tied at 5-all in the last inning, Vining connected for a home run with a mate aboard to make the count 7 to 5 which the Kilowatts were unable to overcome during their half of the inning.

Following is a schedule which will end the regular season. The play-off for the two high teams will begin at the end of this schedule. The two high teams will then play a five game series for the championship.
