INTERESTING NIGHT AT CHURCH SCHOOL

(By Church Reporter)

The second session of the Inter-Church Training School will take place tonight at 7:30. After a prayer and hymn led by Dr. Taylor, Dr. Sewall will give his second lecture. This lecture will clear up many puzzling points as to why the three gospels of Matthew, Mark and Luke are so alike and at times contradictory. This study is a fascinating one and has all the excitement of a cross word puzzle but much more worth while. It is called "The Synoptic Problem" and on that theme Dr. Sewall will lecture.

Dr. Taylor will meet his group and will present the message of the Prophet Amos, his times and his book. Members of this group are asked to bring their Bibles. The Library will be open for those desiring to take books out to take home. All who have not registered are asked to come at 7 o'clock and register.

Also members of the school are asked to come early so that the prayers and lecture may proceed without interruption from those who are late. The time we have is so short that it is felt that every minute should be as free from distraction as possible. The school lasts but a little over the hour.

Here From England

Mr. and Mrs. W. E. Sassoon and children, Babette, 11, and Richard, 6, of London and Paris, have arrived in Tryon to spend the winter after a year in Vermont. They are occupying Miss Merrill's house in Gillette Woods.

Reception On Wednesday

A reception will be held at Sunnysdale on Wednesday afternoon from 4 to 6 o'clock in honor of the Tryon school faculty. The citizens and visitors in the community, men and women, are cordially invited to attend. The reception will give the parents and newcomers an opportunity to meet the teachers and join in the spirit of fellowship. The faculty has three new teachers this year, Miss Sue Burr Johnson, Miss Alice Lee Williams and Miss Mary Gamble.

Roy Palmer Promoted

President E. C. Marshall of the Duke Power Co., has announced the appointment of Roy A. Palmer, lighting engineer, to the post of merchandising manager, to succeed John Paul Lucas, who died recently. Mr. Palmer is well-known over the Duke system.

Defend America Mass Meeting

A mass meeting is called at the Parish House at 8 p. m., Friday, to organize a chapter of the Committee to Defend America by Aiding the Allies. The speaker will be Franklin P. Shockey of Chicago, Ill. England needs, or will need, all of the various kinds of relief which this country is offering; but what she needs immediately and urgently is more planes and munitions. The object of the Committee to Defend America is to make vocal to the Administration and to Congress the desire of the people that all of the war materials America can safely spare be sent to Britain at once. Every one is invited and urged to be at the Parish House on Friday night.
