Book & Paper Shop Will Open on Friday

The Tryon Book & Paper Shop will open for its twelfth season on Friday, Nov. 1st in the Bookshop building. As in the past, it will be under the management of Miss Genevieve Washburn. A new stock of books for sale and for rent has been procured as well as prints, stationery, cards and various gift items.

Bulletin To Carry News Of Local Men in Service

The Tryon Daily Bulletin will try to get news about all Polk County men in the United States Army, Navy and Air service in order for the home folk to keep in touch with them and in order for the local men in the service to keep in touch with one another. When a reader gets a letter from a sailor or soldier he is requested to mail any notes of public interest to the Bulletin in care of "Jerry". For example it is interesting to note that Thomas Blackwell, U. S. N., who made the first touchdown for Tryon's football team is now on a Pacific island. Bill Byers enlisted recently at San Antonio, Texas, Lieut. Theo Kerhulas is at Ft. Benning, Ga. Please write the Bulletin the addresses of all Polk County service men so copies of the Bulletin cards and letters may be mailed to them by friends. Wesley Mize who is now at Ft. Jackson, Columbia, S. C., wrote recently that a letter from friends was greatly appreciated by the men in the service. Walter Newman and Bruce Byers are also at Ft. Jackson. Major W. A. Schilleter is at the post headquarters.

The Bulletin anywhere in the U. S. 6 months for \$1.00.

FOR SALE: Lot with 110 foot frontage on highway, private water supply, excellent quality, also framing for 6 room house, all for only \$800. E. Perry Manville, Real Estate, Rentals, Insurance & Air Line Tickets. Adv 31
