POLK COUNTY GIVES \$967.40 TO RED CROSS

The Polk County Chapter of the American Red Cross has once more surpassed itself! The annual Roll Call, which ended on November 30th, resulted in total contributions of \$967.40. Last year, the total was \$920.00, and the year before that, which broke all previous records, was \$498.30. This is a wonderful record, considering that in the spring, residents of the County, contributed for War Relief more than \$1800. The total for this year was made up of two contributions of \$50.00, six of \$10, 28 of \$5, 560 of \$1 and contributions of less than one dollar in the amount of \$107.40. Special mention should be made of the fact that memberships from portions of the County outside of Tryon were larger than ever before, including \$36 from Saluda, \$39.85 from Columbus, Mill Spring and Cooper's Gap, \$20 from Green Creek. The thanks of the Chapter are due to all who helped to make this the banner year.

BAZAAR A SUCCESS !

The St. Agnes Guild Christmas Bazaar was the best yet from the standpoint of attendance and sales receipts. All the reports have not been made and a more detailed account will be given later. The tea served on the stage, the sales booths, the decorations and the friendliness of the hostesses all added charm to the Christmas spirit. The proceeds will be used for the Guild's regular charity work and a part for the British War Relief.

Contribute To Christmas Street Lighting Fund

The names listed below are the ones who have contributed to the fund to have Trade Street decorated again this year with lighted Christmas trees. This is not a charitable project and it is not confined to any class or group. The whole idea is to help spread the Christmas spirit to everyone. And everyone is invited to join in the expense if he cares to. And there is fun in having a part in helping others to enjoy life. Contributions may be sent to the Chairman, George A. Cathey, C. J. Lynch or the Bulletin office. Those giving todate are:
