The Past Year**

Joseph Stockton of the Green Creek Club has been voted the outstanding 4-H club boy during the year 1940. Joe was a member of the State Championship Crops Judging Team in February. He participated in the Health Coronation and competed record books in both corn and cotton. Joe was first place at the 4-H Fair in the cotton and corn exhibits. In addition he has purchased a very nice Guernsey cow and is selling the milk to the Carnation Milk route; the milk checks bring him about \$11 per month.

Joe graduated from Green Creek high school last spring. He is now at home farming, milking him cow, saving his money and plans to enter college next fall.

"Buster" Brown of the U. S. Marines, has returned to Paris Island, S. C., after spending the weekend with his parents, Mr. and Mrs. F. R. Brown.

Higher agricultural income is the principal reason why an increasing number of tenant farmers have bought farms this year, says the Farm Credit Administration.
