them.

Well I have been to see all my relatives over here and they sure gave me a grand welcome.

England has been very kind to the Canadian soldier in every respect. I do not know what my plans shall be after the war as I am a single man of 29 years. I have thought seriously of travelling, that is, of course, providing I keep my life. I do not think I shall return to Canada for some time. However, it is hard to say just what the future holds for me.

I would very much like to hear from Margaret and some of the boys if they would care to write. Won't you please ask them to write me a line or two.

I am going up to London on 7 days leave starting November 20th. I shall drop you a line and let you know how I find everybody. This will be my second leave since coming to England. I write to Uncle Alfred and also Cousin Carolyn twice a month.

Well, I must bring this note to a

close as I have to get ready for parade. So in closing let me on behalf of my brother, Norman, and myself say, thanks very much for making it possible for mother to send me cigarettes. Thank you so very much.

Hoping this finds you well and happy, I close, wishing you and yours a Merry Christmas and Happy New Year.

From your sincere nephew,
