Tryon High Basketball Season Opens Tuesday Night

The Tryon high school boys will open their basketball season Tuesday night at the Tryon gym meeting Stearns high of Columbus. The visitors have already played several games and are slated to play the locals on even terms. The Tryon team with the loss of several veterans from their championship squad of last year are rebuilding an entire new team aided by several new men and returning regulars. The only indication of the strength of the locals was an afternoon scrimmage with the Landrum quintet which ended in a one-sided score for Tryon. The game will start at 7:30.

The Tryon team has been practicing for about ten days with about twenty-five men out.

Phil Morris and Dick Arthur are scheduled to build fire by rubbing two sticks together tonight at the Boy Scout Court of Honor at the Parish House. It is a damp day and their tender may not be dry enough. The struggle in making fire this way permeates the audience and people rise to their feet wanting to help and when victory is finally achieved the boys get a big hand from the audience.
