## British War Relief

In spite of the inordinate demands that the Christmas holidays have made upon their time, the volunteer workers at the Tryon workshop have not ceased in their efforts to aid Britain's homeless. Work has been going on steadily since the workrooms opened on October 28 and with the coming year presenting more insistent demands, it is safe to assume that the pace will be greatly accelerated. The burden thus far, is falling upon a small, loyal group who have continually sacrificed their time in making garments for women and children and repairing used clothing. Additional workers will soon be needed to share in these activities and it is to be hoped that more women will pledge their aid. Knitted sweaters and scarfs are still desperately needed and there is a large supply of wool on hand for those who have the leisure to do the work at home.

Since the opening of the workrooms, the following articles have been sent to New York for shipment to Britain:

- 713 Used Garments.
- 88 New Woolen Blankets.
- 40 Knitted Garments.
- 43 New Nightgowns.

The total weight of these articles was 1,898 pounds. The total hours of work involved, 799.

United States expected to build ships for British. Sentiment growing in this country to help Britain more.

## WINNERS OF \$75

The following people received the \$75 given by the Tryon merchants on Christmas Eve: Mrs. John Thompson, \$35; Mrs. J. Frank Richardson, Jr., \$10, (she returned it to charity); Mrs. Walter Gillespie, \$10; Mrs. Frank Cochran, \$10, all of Tryon township; and Mrs. Walker of Mill Spring, \$10.

## DANCE TONIGHT

A dance with orchestra music is open to the public tonight at Sunnysdale. A private dance given by Misses Margaret Sprague and Hope Schilleter will be given at the Tryon Country Club.

## All This and Rochester

Manager C. W. Nessmith states that on account of the great demand for it, "Love Thy Neighbor", starring Jack Benny, Fred Allen and Rochester, will be shown at the Tryon Theatre late Saturday night at 10:45 and for the afternoon and night shows on Sunday.

## Today's Headlines

Even the headlines of the nation have been unexciting during the holidays.

The Germans and Russians are massing troops facing each other in Rumania. Some observers think Germany and Russia to clash soon. Germany has taken over control of Rumania and 300,000 German troops are on their way to "keep order."

On the Greek-Italian war front, the Italians have lost 45,000 men in Albania.
