W. S. Hampton and his two sons, Denner L. and W. S., Jr., of Leicester, N. C., visited Brownhurst Farms Monday to inspect the milking shorthorn herd. They selected one of the young registered bulls from the herd, Brownhurst Gift, for use on their farm where they are developing a herd of milking shorthorn cattle. They also bought two feeder steers of the same breed to turn onto their blue grass pasture this spring. They have a farm of over 500 acres and are going into the cattle business in a rather large way. They state they have faith in the possibilities of this section for livestock.

BIRD PRINTS

Mark Catesby, the Dean of bird lore, illustrated his best known works "Birds of the Carolinas" with some very unusual and beautiful bird prints.

We have just received a fine selection of these, some, the early or "Dutch" edition of 1739—others from the more artistic later editions.

The rare Red Bird print is in our collection.

Priced from \$5 to \$20.
