

\$50 FOR HARMON FIELD FROM COCA-COLA CO.

February 19, 1941.

Dear Mr. Vining:

We noticed in the Daily Bulletin a few days ago an appeal for funds for improvements at Harmon Field, stating that it was not a town owned proposition and therefore, it was necessary that funds be raised to make these improvements.

We are enclosing our check as a subscription for this purpose as we feel that Harmon Field is an institution worthy of Tryon and Polk County and we would like to have a share in this worthy project.

We will appreciate it if you will pass this check on to the proper authorities.

To Improve Credit

At a meeting of the Merchants Association on Wednesday it was decided to adopt a credit bureau which would improve the rating of Tryon customers not only when they trade with local merchants but when they trade with anyone anywhere. The customer's name listed with a Grade "A" rating will be of value to him and to the merchants.
