## DAY OF COMPASSION

Under the leadership of the Council of Bishops, American Methodism has undertaken to raise \$1,000,000 for extraordinary service in an extraordinary time. There has been a growing demand that the greatest of all Protestant churches do something unusual in response to the unprecedented tragedy of the world. Persons everywhere instinctively felt that the Methodist church could not continue to operate its ordinary routine in such a time as this.

March 2nd, 1941, has been designated as the Day of Compassion. To join with all the Methodist churches, the Methodist church of Tryon will take a sacrificial offering for the following: 1: Overseas relief; 2: Help for our British people and churches; 3: For religious work in or near army camps of the United States. It is desired not only the Methodist but anyone interested in this Good Samaritan cause to remit their offering to Thomas H. Greene, Tryon.—SCHREYER.

## ELLIS AT ROTARY

The Rev. R. A. Ellis, pastor of the First Baptist church of Landrum, who recently returned from Louisville, Ky., will be the guest speaker at the Tryon Rotary Club on Friday at 1 p. m., at Sunnysdale Log Cabin. The program will be in charge of Dr. Fred Owen.

Airplane crashed near Atlanta early this morning; four killed including Eddie Rickenbacher, and seven injured, according to radio reports. No details as to cause.

## Plans Are In Making For Clean-Up Week—April 7-12

Clean-up Week is again coming around to Tryon, and this year it is to be from April 7 to 12.

Already the municipal authorities, civic organizations and the public schools of Tryon have signified their interest in Clean-up Week to Mrs. Raymond Dodge, chairman of the Civic Committee of Tryon Garden Club, who is directing Clean-up Week activities.

Official action in support of the week is expected soon from the municipality and the fullest cooperation by all interests in the town is anticipated.

The schools are working out their program, which as heretofore will comprise various projects and competitions looking to a brighter and a cleaner village. GS

## GIRL SCOUTS

Preparing for the Court of Awards which is to be held within three weeks, the Scouts are completing their final requirements for the various ranks and merit badges.

The formal opening on Wednesday afternoon at 3:30 o'clock was led by Cynthia Brand and the singing was led by Patricia Gray. In the business part of the meeting the Girl Scouts' cabin that the girls hope to receive was discussed. They have always wanted one and they hope their wish comes true. The Scouts were assisted by Miss Lois Avant and Mrs. W. A. Schilleter.—Elizabeth Anne Vining.
