Tryon High School Downs Green Creek 49 to 25 to Win County Tournament

The Tryon high school basketball boys' team weakened by injuries and playing without services of two star men, McFarland and Taylor, surprised everyone by their decisive 49 to 25 victory over Green Creek high school on Saturday night in the finals of the Polk County Tournament. The Tryon squad due to an epidemic of mumps had only seven men left to carry on the game. Green, Jackson, Vining, Melton and Beatson, making up the Tryon team, gave a brilliant exhibition of team work with excellent floor work and goal shooting. Using a fast break which Green Creek seemed unable to stop, the winners took the lead and were never headed having an eight point advantage at the end of the first quarter and gradually building it up. Green and Jackson led in the scoring with 17 points each. Vining, who seemed unhindered by his sprained ankle, took care of the floor work with Beatson. Melton using an outside screen to rack up ten points seemed to play the entire floor. The losers presented a team that fought to the final whistle with Skipper and R. Fagan being their best players.

Team line-ups:

Tryon (49): Green 17; Jackson 17; Vining 5; Melton 10; Beatson 0.

Green Creek (25): H. Feagan, 7; Skipper 6; White 1; Fagan, R. 9; Horn 0; Hall 1; Pursey 0; McIntyre 1.
