

## Present Your Bills

President Carter P. Brown requests all persons having bills for work or service in connection with the Tryon Horse and Hound Show to present them AT ONCE to C. J. Lynch, the treasurer.

Mr. and Mrs. H. S. Thatcher will leave Saturday for a ten days' visit to Williamsburg and other historical places in Virginia.

John R. Kimberly, M. F. H., of the Tryon Hounds, left Thursday for Neenah, Wisconsin.

See our window display of Carvings, Weaving and Wrought Iron by pupils of the John C. Campbell Folk School. A group of these mountain boys and girls will come to Tryon this afternoon and will dance folk dances, sing folk songs and ballads at the Parish House tonight at 8 o'clock.
