

TODAY

This afternoon is a busy time with a golf tournament, tea at the Country Club and Flower Show at the Parish House. A display of imported Swiss linen at the Auberge and Jean West's display of ladies clothes at Tryon Lodge. What more could a person ask for entertainment? You have until 6 o'clock. Take in some of them and enjoy them.

One month ago today letters were mailed to some friends of St. Luke's Hospital asking for contributions to help make up the \$5,000 needed to care for poor patients at the hospital. A few of those letters have not been answered. It will help the work of the committee if such friends will telephone now how much they will give the hospital for the coming year, or drop a card in the post office addressed to the hospital.
