## Cowan's Celebrates Eighth Birthday This Week

John Cowan, who started in the grocery business on a shoe string eight years ago, is celebrating his Eighth Anniversary this week. A "double truck" advertisement appears in today's issue of the Bulletin announcing the eighth anniversary and offering a bargain in every item with a figure "8" in it. Instead of the simple John Cowan, grocer, it is now "Cowan's Superette Semi-Self Service" with a lot of new shelves and arrangements, which Mr. Cowan says, "helps the customer to wait on himself if he desires it and makes it easier for us to give him quicker service."

Prof. R. A. Wilson has resigned the principalship of Stearns high school. He will accept a similar one in the Eastern part of the state.
