## President Brantley Writes Of Merchants Association

Meeting date of the Tryon Merchants Association has been changed to the second Thursday night of this month instead of the Wednesday night. Every merchant in Tryon, member and non-member, is requested to be present Thursday, June 12, at 8 p. m.

The Merchants Association was organized to encourage and develop the commercial interests of Tryon and Tryon trading territory; to bring merchants in closer touch with each other; to bate trade abuses; to disseminate trade information and encourage improved business methods; to protect the public against the sale of impure foods, short weights and measures, false advertising; to encourage employers to hire employees that live in Tryon and Tryon trading territory; to encourage employees in Tryon to trade in Tryon to secure fair legislation; to keep a financial and credit rating of any and all persons, firms, and corporations that deal with any of its members.

I am sure that everyone in Tryon and Tryon trading territory is proud of Tryon, of our churches, schools, libraries, theatre and merchants. All these are an asset to our town. So when possible attend the churches in Tryon, send your children to the Tryon schools, visit the libraries for the best in reading, visit the theatre for fun and recreation and do your trading in Tryon.

What kind of a town would Tryon be if we had no merchants?

R. E. Brantley, Pres.
