## SOFTBALL TODAY

A double-header softball program is on this afternoon beginning at 4:30 between the Bush-hackers and Adams-Millis No. 2 and the second game at 6 o'clock between Bird Hunters and Kilowatters.

In the game Tuesday Adams-Millis No. 1 defeated Soumerco 9 to 7.

## To Gather Aluminum Here For Defense Needs

A committee was appointed at a meeting of the Tryon Kiwanis club on Tuesday to seek ways of aiding the government in every way in its efforts to provide for the national defense. C. J. Lynch is chairman of the committee. Councilman Ben White suggested the collecting of old aluminum and plans are underway to provide a place for it until needed. More details will be given later. Any suggestions for helping may be sent to the Kiwanis committee or to the Bulletin.

## District Masons Here

Over 100 Masons of the 38th district including lodges of Biltmore, Brevard, Swannanoa, Black Mountain, Saluda and Hendersonville and state Masonic leaders are meeting here today at Missildine's hall. Supper will be served at 6:30 at Sunnysdale. W. E. Kilpin of the Tryon lodge is general chairman.

U. S. closes all German consulates in this country in effort to stop propaganda and bars 330,000 Germans from leaving.

## Moving Dirt Begins On Railroad Bank

The dream of years became a reality Tuesday afternoon about 3 o'clock when the big power shovel began digging into the high bank between Oak Hall hotel and the railroad.

The big shovel digs into the bank and keeps three trucks busy hauling the dirt across the railroad track where it is dumped into the deep ravine between the Supreme Service Station and Godshaw Hill road. The dirt removed from the bank is expected to fill the ravine and widen the street for about 80 feet giving a desirable space for parking while at the movies. When the high bank has been removed a new road 30 feet wide will serve traffic on the other side of the railroad. Instead of a steep bank the cut will slope back toward Oak Hall gradually rising a foot for every foot approaching the hotel. This will enable the bank to be attractively planted with grass or flowers, giving a more desirable frontage for Oak Hall. Traffic coming to Tryon from South Carolina will get a better view of the mountains as well as perfect vision of any coming trains.

L. S. Bradshaw and sons of Salisbury have the contract for removing the dirt. This is a big contracting firm with projects underway all over the state. R. A. Bradshaw, one of the sons, is here this week and is in charge of the work until the arrival of his
