Gary Copeland, of Greer, S. C., is being held in the Polk County jail charged with causing the death of George W. Taylor, who was drowned in Lake Adger on Saturday, June 28th.

Sheriff Hines stated this morning that the drowned boy's father, Guy Taylor, of Lynn, consulted Solicitor Clarence O. Ridings, and upon his advice, swore out the warrant charging Copeland with "murder by drowning."

Young Taylor, who accompanied his father and a party on a fishing trip to Lake Adger, it is said, was standing in the boat and he and Copeland were scuffling and young Taylor became over-balanced, falling into the lake drowning before help could be of any good.

Sheriff Hines stated that no bond had been made for the release of Copeland.
