BOYS' CLUB NEWS

With the skies clear again the outdoor activities of the Boys' Club start again today with a hike to Lake Lanier. C. J. Lynch has offered to meet the boys at the Lake Lanier Inn dock and give them a ride around the lake. This is being looked forward to with much enthusiasm. After the boat ride the boys will continue hiking until they reach their swimming place. L. A. Avant extended the use of the swimming facilities at his cottage for this occasion. After a swim and lunch the boys will return to Tryon around three o'clock.
