4-H Club Members On Week's Vacation

The Polk County 4-H club members left for the 4-H camp at White Lake early Monday morning. While away, the campers will visit Wilmington and the beach and will spend one day at Fort Bragg. They went by trucks and were accompanied by home agent Miss Minnie Lee Garrison; assistant agent and Mrs. S. H. Dobson. They are occupying the White Lake Camp jointly with the Rutherford county group and are making the trip down and back together.

The trip is made possible to many of the members by achievement awards of the Tryon Kiwanis club and prizes given by the Tryon Rotary club. For several years the club members have been attending the Swannanoa camp and it is through the interest and help given by the Kiwanis and Rotary clubs that this trip to the Eastern part of the state is made possible.

Donkey Baseball

It's donkey baseball time again in Tryon. This afternoon at 6:30 at the Adams-Millis ball park, the Business Men of Tryon will battle atop donkeys with the Adams-Millis ball team.

From previous donkey baseball games have come many spills and laughs, and the one this afternoon should prove to be just as much, if not more fun than ever. Climax your holiday afternoon at the Donkey Baseball Game.
