## CURB REPORTER

The government needs silk for manufacture of cannon powder bags. Ben White has notified County Defense Chairman C. J. Lynch that ladies' old silk stockings with runs in them are adaptable for this purpose as they can be unravelled and rewoven into powder bags. Chairman Lynch immediately requested the Kiwanis Club to include in its activities the collection of old silk hose. Other organizations will be requested to do the same. The Knit Goods weekly launched a campaign on August 4th for the collection of old hose according to the New York Sun . . . . . Additional donations to the British Over-Seas Tobacco League Fund makes possible the purchase of 1,500 more cigarettes. Donations run from 15 cents to \$5.00. The average is \$1.30, so far . . . . .

## Kilowattters In 17th Win

The Kilowattters defeated Adams-Millis No. 2 on Tuesday afternoon in softball at the Adams-Millis ball park by the score of 14 to 7.

In an exhibition game the Adams-Millis baseball team beat Adams-Millis No. 1 by the score of 5 to 4.

The Germans and Russians are still fighting.

## 4-H Club Boys Show Kiwanians How To Produce More Milk

Russell Garrett and Hubert McEntire, two Polk County 4-H Club boys who have just returned from Raleigh where they put on a milk production demonstration before State judges repeated the same program on Tuesday noon at Oak Hall hotel at the Tryon Kiwanis Club. The program was in charge of Sam Dobson, assistant county agent. Dr. C. Arthur Lincoln, president, who had been absent for several months on account of illness, presided.

The team of Garrett and McEntire was received with appreciation and great interest by the Kiwanians. The young men showed by talk, chart and demonstration with the real produce how to mix dairy feed in order to get the most milk from a cow economically; how not to underfeed or overfeed. Then they showed on a chart what feeds to grow and how much of an acre or acres it would take to grow it and the reasons for growing it.
