of the interesting angles to this story is that here is a man who doesn't live here and couldn't take an active part in affairs when he was here, yet gets joy out of living in the lives and activities of his friends. Every public spirited man takes his home town paper and his county paper because he is interested in others, especially those who are working with him, sharing responsibilities of citizenship, taxation, government, civic improvemetns, etc. One woman who takes The Polk County News said, I don't know many people in the county, but I know if enough didn't take the county paper there wouldn't be one for the country people. We live in spirit. Without the proper attitude, all the money, food, entertainment and luxuries in the world wouldn't mean anything. With the right attitude the material things don't count so much as long as there is food enough to satisfy hunger; and the necessary clothes and shelter Church attendance aids National Defense. In that we all can do our part, for we all are sinners and the weaker fellow will be helped by your presence Remember the blackout tonight on road No. 9, Lake Lure to Mill Spring to Rutherfordton.
