## Dr. W. E. Sawyer At Tryon Rotary Club

Before leaving Sunnysdale yesterday many members of the Tryon Rotary club stopped to thank Dr. W. E. Sawyer for the interesting and constructive talk on Vocational Education which he made at the weekly Rotary luncheon.

Dr. Sawyer, superintendent of Polk County's rural schools, was introduced by Fred Owen who had charge of the day's program. He spoke of the need of scientific agricultural training for boys and full home making courses for girls, and what these practical courses will do to develop the character and personalities of students.

It has long been known that an actual majority of boys and girls are fitted by nature for such practical courses of training, as against the minority for whom the traditional academic studies are better suited, and that the practical type, if it receives the kind of education it ought to have, will develop character and personality equal to the best. Unfortunately its needs are not met by our regular standard teaching, good as that may be for the others. Vocational Education might well be Project Number One for Polk County to consider.

Incidentally Dr. Sawyer answered questions that have been raised as to the several closing dates of the four rural high schools for the purpose of releasing boys and girls for field work at harvest time. He reported that the closing

## Tryon High Drops Close Game to Black Mountain

The Tryon high football team dropped a close game to Black Mountain high Friday at Harmon Field by a 7 to 0 score. The Visitors with a big, rugged team scored in the first quarter but could not muster up the necessary punch to cross the goal again. The young Tryon gridgers settled down after the first quarter and pushed the big boys from the Key City all over the playing field. In the last quarter a spectacular run by McGeachy for thirty yards set the stage for what should have been a touchdown. Beatson by an end run placed the ball on the ten yard stripe. A few more punches made it third down with two to go for a tally. Two stabs through the middle of the line gained nothing and Black Mountain warded off the threat and kicked out of danger.

The game was spectacular from start to finish with the opposing teams keeping the spectators following the plays from one end of the field to the other. The Tryon team sorely missed the services of Captain Jack Melton, whose blocking was needed to clear the way for the other backs. The passing and runs of Beatson again stood out while the defensive and offensive play of Locke McGeachy was the highlight of the day. Wall was particularly effective in breaking up end runs. Tryon will meet Welcome high of Greenville on Harmon Field next Friday, October 3rd.

Line-up: Le. Moore; lt. Arledge; lg. Cox; c. Marion Edwards; rg.
