Life In Denmark Interesting Subject of P.-T. A. Speaker

Miss Ella Kroeschell, who has made her home in Tryon the past two years since the war prevented her returning to her home in Denmark, made a very interesting talk at the Tryon Parent-Teachers Association meeting on Monday afternoon at the Tryon school auditorium when she told of the 20 years of happy life in Denmark before the invasion of Hitler's army. After the talk a social period was enjoyed in the school cafeteria where Mrs. R. H. Brady, Mrs. H. L. Arledge, Mrs. R. E. Brantley and Mrs. W. R. Hoots served refreshments.

Navy Day Proclamation

Whereas, Navy Day was inaugurated in 1922 by the Navy League of America and its observance approved annually by the league and the United States Navy Department, with the approval of the President of the United States.

Whereas, it is fitting and proper that this day be observed as a tribute to the United States Navy and its personnel as a first line of defense of the Nation, now, therefore,

I, E. E. Missildine, Mayor of the Town of Tryon, North Carolina, do hereby proclaim Monday, October 27th, 1941, as Navy Day and do urge citizens to observe this day by the arrangement of programs, the display of flags and in any other possible manner that will bring to the attention of our citizens the necessity of the maintenance of an adequate Navy as a National defense.

E. E. Missildine,
Mayor, Town of Tryon.

Mr. Stoney and Mr. Lea To Speak Here Thursday

Rev. William S. Stoney of Morganton will come to Tryon on Thursday morning to address the District Meeting of the Woman's Auxiliary of the Church of the Holy Cross. The Episcopal church throughout the country is marshalling all the strength of its woman power into unified action and outlook to meet the present religious challenger of a world at war. The Presiding Bishop of the Episcopal church, the Rt. Rev. Henry St. John Tucker, is the instigator of this advance movement and it is at his request that Mr. Stoney is coming, for his parish has already taken this step in unification of parish work. Mr. Stoney will speak after the Communion Service which will be conducted by Bishop Gribben at 10:30.

After Mr. Stoney's talk, the subject to be discussed by the meeting is work among the soldiers, with special reference to Camp Croft. Mr. Lea's church, The Church of the Advent, Spartanburg, did outstanding work in the last war, and is already going at full speed, in looking out for the soldiers now. Much interest here has been evidenced in this phase of the meeting to which people of other churches are invited to come and hear Mr. Lea at 12:10.

The U. S. Crop Reporting Board, in its latest release, estimates the 1941 cotton crop at 11,610,000 bales, as compared with 12,566,000 bales ginned in 1940.
