## Travel Tour Entertained At Tryon Country Club

Approximately 200 members of the Association of Steamship and Tourist Agents who are holding their convention in Asheville, made a tour to Chimney Rock, Lake Lure and Tryon on Tuesday. They were entertained Tuesday afternoon at the Tryon Country Club with punch and Coca-Cola. As it was impossible to take them on a tour of Tryon in the one hour they had to spare for their visit here the local entertainment committee attempted to pass on to the visitors the spirit of friendliness and informality that exists in the community for all guests who want to come to Tryon for rest and recreation. The Carolina String Band furnished string music and nearly all the visitors and homefolk joined in a few minutes of square dancing just to "loosen" up the crowd. All seemed to enjoy the occasion.

Many of the guests from the North knew of Detroit, Chicago, New York, Pittsburgh and New England people who had come to Tryon, the winter resort, to make their home.

The tour to Tryon headed by President L. B. Kinports and Mrs. Kinports of New York included from Chicago: R. S. Caird, John C. Pollock, Mr. and Mrs. J. Stuart Rotchford, Mr. and Mrs. John F. Healy, Mr. and Mrs. Jcs. P. Hayes, Mr. and Mrs. G. G. Truesdale, Mr. and Mrs. B. J. Kennedy, Mr. and Mrs. Paul J. Klein, Mr. and Mrs. F. P. Higgins, Mr. and Mrs. Ray Judson, Mrs. Maryln Good, J. A. Jones, H. B. Long-

"Wild Skid Soup" is what Charlie Lynch called the punch served at the reception of the American Steamship & Tourists Agents convention tour which met for a social hour at the Tryon Country Club on Tuesday afternoon. The guests seemed to be having the time of their lives as they took turns at square dancing to the fiddlers' music. Some relaxed on the club seats, engaged in conversation with Tryon hosts and hostesses who were on hand to greet them, and others took in walks over the beautiful green golf links. President J. T. Arledge of the Tryon chamber of commerce, General Chairman C. J. Lynch, Reception Chairman E. C. Rowe, and a host of Tryon committeemen did a "swell" job of entertaining. A number on the tour had been to Tryon before and knew what to expect. Davis H. Beck, general eastern passenger agent of the Southern Railway system of New York was one of them. Said he was here several years ago and had a wonderful time. Mr. Beck directed the tour to Asheville; Otis Price, Southern Railway, Ass't. Gen. Pas. Agent., and Lem Bridges of Asheville Smoky Mountain Tours, were also among the group . . . The weather for the day was hotter than usual with an 86 high and a 64 low . . . . The Carolina string
