

## Volunteer For Defense

Volunteer enrollment blanks have been placed in the different communities of the county, and any one who is at all interested in doing volunteer duty of any kind can get one of these blanks from these people.

Mayor Roy T. Baisden or Edwin Leland—Saluda.

Sid Feagan, and Woodrow Wilkins, W. C. McGinnis — Green's Creek.

James Egerton, Twitty Jackson—Mill Spring.

Vernon Wilson, Pharaoh Lynch—Cooper's Gap.

Robert McFarland, John Gibson—Columbus.

George Cathey, R. A. Leonard, Tryon.

Blanks may also be obtained in the local defense office located in the office of C. J. Lynch, Tryon.

Show your patriotism, fill out one of these blanks, and get it back to the person from whom you got it right away. There is something everyone can do for the defense of his Country. The slogan of the Polk County Civilian

Defense Council is—"A Country Worth Saving Is A Country Worth Serving." Help save your Country by serving it.

Miss Jane Cushing and Miss Alys Thompson have returned to Tryon and are occupying an apartment at Spanish Court.

Miss Bertha Plundeke of New York City has an apartment at the T. E. Kell's.

## Now Is The Time For Transplanting

Have you any bulbs, perennials, roots, small trees or shrubs which could be used for the benefit of the British War Relief? If so, this is how you can do it: When you are ready to divide your plants call Mrs. Dudley Smith, 194-W, state the amount and kinds you have and she will find a buyer. Are you in the market for bulbs, plants, shrubs, etc? If so, call Mrs. Smith and she can tell you who has such plants for sale. Each plant we sell will help the British.—Advertisement.
