## THANK YOU, AMERICA

The British War Relief Society is sponsoring the first showing of the film, "Thank You, America", which will be shown at the Tryon Theatre on Friday, Saturday and Sunday, through the cooperation of Charles Nessmith.

Maurice Evans, famous actor, is commentator of the film, which shows the appreciation of British civilians for the help they have received from America; the doctors and nurses, the air raid wardens and fire fighters, shopkeepers and housewives during and after the most serious raids on their homes.

"Thank You, America" should be of supreme interest to everyone whose efforts have helped Great Britain carry on and should be seen by every member of the community.

H. V. Vanderhoef,  
Chairman, Tryon Committee,  
British War Relief Society.

## SALE OF BULBS, PLANTS AND SHRUBS

Now is the time to plant. Tryon will have an opportunity to buy bulbs, plants and shrubs, iris, lilies, chrysanthemums, mint, parsley, etc., at less than the market price on Saturday morning from 9:30 to 1 p. m., on the sidewalk in front of Tom Costa's place. All these articles have been donated and the proceeds will be turned over to the Tryon Workrooms for British War Relief. Take advantage of this opportunity while the supply lasts. Any further donations of plants should be brought to Tom Costa's on Saturday morning.
