Erskine Church Celebrates 50th Anniversary

At the happy occasion of the Semi-Centennial Dinner of the Erskine Memorial Congregational Church at Oak Hall hotel Monday night a very interesting and clever historical paper was read by Ralph Erskine, son of the donor of the present church building and organ, and greetings and congratulations were extended on behalf of the Presbyterian, Baptist, Episcopal, and Methodist churches by their respective pastors, and by ministers who have recently supplied the pulpit of the Congregational church, including Rev. C. P. Burnett, retired and long time rector of the Church of the Holy Cross; Rev. George F. Taylor, D. D., of Converse College, and Rev. Charles G. Sewall whose life is intimately associated with the church. A message was read from Rev. Kerrison Juniper, D. D., of the Congregational church, Ormand, Fla.

The following former pastors sent letters of congratulations: Rev. T. T. Holway, Duncan, Vancouver Is.; Rev. William B. O'Neill, Holland, Va.; Rev. John Brittan Clark, D. D., Cumberland, Md.; and similar letters were received from former members and friends now absent: Miss Mary Drew, Claremont, Cal.; Mrs. Winfred Putnam Brown, daughter of the late Albert S. Putnam, New York City; W. C. Corcoran, Lancaster, S. C.; Dr. Homer H. Goodell, Memphis, Tenn.; and Mrs. John Beaumont, Detroit, Mich. A telegram was read from Nelson Jackson, Jr., superintendent of the

Wednesday, Nov. 12th, Is War Against Waste Day

This is the day that applies particularly to women. We must watch waste of food, careless throwing away of paper bags, and metal objects. We must take care of what we have, buy sensibly—and thus prevent unnecessary waste. Now we have to save our supplies. We must learn to use substitutes, and accept simplified products. We haven't enough materials for our defense needs and our civilian needs together.

MEETS TONIGHT, 7:45

The Tryon School of Religion will hold its sixth session tonight at the Church of the Holy Cross at 7:45. President E. M. Gwathmey of Converse college will lecture on the Book of Esther and the Feast of Purim.

Noted Lectur To Speak In Spartanburg Wednesday

Dr. Gerald Wendt, noted scientist, will lecture at Wofford college chapel on Wednesday night at 8:30. He will discuss social implications of the advancement of science, and will show three dimension motion pictures.

Converse college and Wofford college student bodies will hear the lecture, which will also be open to the public at the lyceum admission price.

"Scientists have done their job in making the world a more comfortable place; it is now up to the politicians and others charged with responsibility for the welfare of the race to make it a happier place," Dr. Wendt is quoted as saying.
