
HAS YOUR CHILD CANDLELIGHT EYES ?

Watch your boy or girl studying. A stare or a squint may be a warning of inadequate light. Take no chances with precious eyesight. Get a lamp you **know** is right for studying.

**Better Light—
Better Sight
WITH AN**

I. E. S. STUDY LAMP

**Almost Every Electrical
Dealer Has Them!**

*Look for this
certificate on
lamps you buy
... to be sure
of better light.*
