

## BOLLINGER - DEAL

Announcements have been received in Tryon of the marriage of Miss Margie Bollinger, daughter of Mr. and Mrs. Lloyd Bollinger to Mr. Mack Sinclair Deal on November 19th, at the bride's home in Hickory, N. C. The Bollingers formerly lived in Tryon.

The Town of Tryon is doing a much needed paving job in rebuilding the sidewalk from Tryon Shoe Hospital to Western Auto Associate Store. The walk has been raised to prevent water from running across it. At times during heavy rains it was almost impossible for pedestrians to use it.

The Tryon Methodist church has purchased sound motion picture machine to be used in presenting religious features at their evening services. The machine is expected within the next few days.
