## Red Cross Report

Four years ago, the total amount of money raised in the Annual Red Cross Roll Call was \$498.46. The year after, it was \$920.00. Last year, it was \$967.40. This year it was \$1,055.90! A part of this remarkable increase is of course due to the fact Tryon has grown during the last four years, but most of it witnesses to our growing confidence in the Red Cross, and a growing desire to belong to it. This magnificent total represents 638 full paid memberships, with \$101.85 in small contributions of less than one dollar. There were four gifts of \$25, nine of \$10, twenty-seven of \$5, and two special gifts, designated for the Polk County Chapter for special purpose, amounting to \$31.

Of this total amount, \$955.75 was given by the citizens of Tryon. Special mention should be made of \$145.75 from the staff and employees of the Adams-Millis Corporation, and \$67.90 from the staff and employees of the Southern Mercerizing plant. Saluda came in with \$40.15; Columbus with \$34; Mill Spring with \$9, and Greens Creek with \$17. Great credit is due to the twenty-nine members of the Roll Call committee for their diligent and patriotic work, but every citizen of Polk County who joined the Red Cross this year has a part in this record-breaking achievement. The chairman says that only one "kick" was reported to him, and in that case, the kicker kicked in with a dollar!!
