Reddy's "Breakfast Specials" are sure to be a hit with your family and intimate friends. His toasters, percolators, waffle bakers, and egg cookers "unscramble" the breakfast rush and make 8 a. m. a pleasure—instead of a nightmare. An automatic coffeemaker will take care of the coffee . . . an egg cooker will do the eggs just the way you like them every time . . . while the automatic toaster gives up golden brown slices of toast . . . These serviceable appliances are just the thing to take away the crease of worry
