## Tryon School News

Third Grade: Our grade is busy making a health book. We have learned lots of rules so far, including: Eat vegetables every day, eat fruit every day, be careful with baby, take a bath every day, sleep with windows open, drink lots of water, and many others. Each time we study a new rule we print it on a sheet of paper and find a picture in a magazine to go with it. That way we are learning to print as we learn good health.

We are sorry to lose three of our grade who are moving to other towns. Myrtle Covil has gone to Tuxedo, Betty Green to Mt. Holly and Lillian McFalls is now in the Linn school. We hope they will like their new schools.

Each member of our class is to prepare a Christmas story to read to the class for our opening exercise between now and the holidays. We are looking forward to these stories and each one is hoping to have the best story.
