The Welfare Department and the Health Department hope to conduct an eye clinic for grown persons before long in Polk County. Anyone interested should contact Miss Ina Tyler at Columbus.

SOUND PICTURES AT TRYON CHURCH

Sunday evening at 7:30 the Methodist church offers to the community the first in a series of motion sound pictures of Biblical accounts. The picture will be "From Eden to Calvary." This is a historic Biblical account from the creation of Jesus Christ. The church is sponsoring this new form of religious education on the grounds that the Methodist congregation and the community support with their attendance and free will offerings. The church hopes that these films will be a spiritual inspiration to all.

Dec. 15—Boy Scout Court of Honor at the Parish House at 7:30 p. m.

CURB REPORTER

A smile helps a lot; a kind word is good cheer; a thoughtful deed gives encouragement and appreciation of the brotherhood of man The weather on Thursday was 52 high and 33 low The first two days of the new war favored Japan, the following three days favored the United States and Britain as the Japs lose three warships sunk and a fourth damaged. Germany and Italy have now declared war on the U. S., but we must wait for developments. The Germans are retreating on the Russian front and the German-Italian troops are retreating in Africa The whole world is in two camps, one of democracy and the other of dictators Defense Chairman LaGuardia has just notified the Bulletin to advise the public on what to do in case of an air raid: Keep cool, stay home, put out lights, lie down, stay away from windows, and last but first YOU CAN HELP. Report now to your CIVILIAN CONTROL ADMINISTRATION.
