## COMMUNITY SINGING TONIGHT—8 TO 9

The weather has turned out to be perfect for the singing of Christmas carols tonight between 8 and 9 o'clock at the park near the depot. A large tree will be lighted for the event. White and colored, old and young are expected to be present.

The entire community and surrounding section are invited to join in the singing which will be directed by Edwin Beach over a sound system making it possible for all to hear and enjoy the Christmas music.

A colored choir made up of members of St. Luke's and Garrison Chapel churches will participate in the program. So will the Rotary and Kiwanis clubs, Boy Scouts, Girl Scouts and the Tryon high school Glee club of which Mr. Beach is director.

Instrumental music will contribute its part to the music. Among the features will be Mrs. Vincent MacKenzie with the accordion. She was one of the prize winners in the recent County contest at Green's Creek.

The committee believes that this is the time for all the community to get together and sing as a united community singing carols to the birth of Christ.

Pacolet avenue between the depot and the first Baptist church will be roped off in order to accommodate the large crowd expected.
