RED CROSS FUND GROWING FAST

The last report of the Red Cross War Fund was made a week ago. During that week, everybody has been busy with Christmas giving and receiving. Nevertheless, \$281.50 has been contributed to the fund since the last report, making the total \$1,345.50. Many members have said that they would not be able to send their contributions until after the first of the year. Such contributions will be welcome. The Red Cross War Fund is for the duration of the war. There is no final date when the "polls are closed." Mrs. Cathey, Miss Capps, J. B. Hester are ready to receive money at any time. It is of small importance whether or not Polk "goes over the top"; it is extremely important that the Red Cross shall not fail the nation and the world.
