Sheriff Hines Warn Public About Safety of Tires

Sheriff W. D. Hines issued a warning today to motorists to take caution as to the safety of the tires they have on hand now.

The sheriff stated that after January 5th, when tire rationing goes into effect, theft of tires would be prevalent.

Mr. Hines pointed out the following precautions:

Watch locks on spares.

Take serial numbers of each tire you have. In this way you can identify your tires if they are stolen.

If possible, carry only one spare tire at a time.

Don't park in dark alleys.

Do not park your car in a place where a thief could easily take your tires.

Securely lock your tires when not in use.

Mr. Hines further stated that if you buy tires from an individual to be sure they have not been stolen. He added, "know from whom you get your tires."

Special Masonic Meeting

A special Communication of Jeff L. Nelson Lodge No. 605 A. F. & A. M. will be held in Missildine's hall on Monday next, January 5th, 1942, at 7:15 p. m., for the purpose of installing the newly elected officers.

The installation will be conducted by the Deputy Grand Master James E. Shipman, assisted by the District Deputy Grand Master Leon English in a public ceremony at the Parish House at 8 p. m., that evening.

Soldiers Coming to Tryon

Beginning Sunday, January 11, and continuing each second Sunday of the month, the churches of Tryon will sponsor a day in Tryon for the soldiers from nearby camps. The program for the day will be divided into two parts.

First of all it is desired that as many people as possible will invite soldiers for dinner on this day. And it is requested that all those who desire to entertain one or more of the soldiers on this day will notify Mrs. F. P. Bacon no later than Thursday evening, the 8th. If there are those who wish to cooperate and yet are unable to have guests in their home they may make a cash donation which will be used to provide dinner at one of the inns.

The second part of the days' program will take place at the Parish House. The Parish House will be open from 3:30 until 7 and those who have had guests for dinner will bring them to the Parish House. There will be a period of fellowship followed by a short informal service. After this supper will be served.

The cooperation of all Tryon people is desired as it is felt that this is an opportunity for us who are at home to make a fine contribution.

Mrs. F. P. Bacon is chairman of the Women's Committee to provide the suppers. She will be assisted by Miss Thelma Mills, Miss Marjorie Capps, Mrs. Robert Dick, Mrs. Montgomery Whaling, and Mrs. Walter Howell.

Dr. George Farrand Taylor
