

GOOSE GOSSIP

Marshal Timoshenko

(According to a news report, Timoshenko is said to be Timothy Jenkins, son of a Welsh workman who went to Russia many years ago).

Timmy is a Welshman,
Timmy is a chief;
He's really Timmy Jenkins,
To make the story brief.
Though Timoshenko may be
Half Welshman and half Russ,
He's every inch a soldier
Who hasn't missed the bus.

Retreating

A crooked little man
Had a crooked little smile,
And gave out crooked figures
In a very crooked style.

To do his crooked business,
He had some crooked friends,
And he took a crooked road
To reach his crooked ends.
And he had some crooked luck
Which gave him quite a whack
When, "to straighten out" the
front,
He had to turn his back.

To Marshal Petain

Let the hunter have his kill—
Some one else will pay the bill.

January 5, 1942

To market, to market, to buy a
new tire—
Home again, home again, feet in
the mire.
