## MORE FOR RED CROSS

Since the last report of the Red Cross War Fund, contributions have been received raising the total to \$2,517.05. Among them is a gift of \$230 from the employees and staff of the Adams-Millis Corporation. This is a noble gift. It ought to be an inspiration to many others to go and do likewise. The Farmers Federation is starting a depository for old metals. The accumulation will be sold from time to time, and the proceeds turned over to the Red Cross. This is a fine service. Send your "junk" to the Farmers Federation!

## Lake City Man Missing

Lake City, Jan. 10.—Lake City and surrounding community has been alarmed over the mysterious disappearance of W. Kyle Davenport, well-known local businessman since the afternoon of Dec. 31.

Members of his family refrained from making a public announcement or asking aid of police department until now as he was known to be highly nervous. They hoped he had gone to visit relatives or possibly his two sons in service. He is known to have been worrying over two officer sons, one in the marine corps on the west coast and one in the flying corps in Texas.

He is described as 58 years of age, hair thin and greying, grey eyes, straight square shoulders, usually walks fast, slightly nervous, wears glasses only when reading, pleasant personality, excellent businessman, retail merchant, department store operator. When last seen was wearing grey pants without coat hat or overcoat. Believed to be suffering from amnesia. *Charlotte Observer.*

## Soldiers Entertained Here

Over 80 soldiers from Camp Croft were entertained in Tryon on Sunday. The hosts and hostesses met the soldiers at the bus station in Tryon and carried them to church, and to homes in the community for dinner. At 3:30 most of the soldiers and some citizens went to the Parish House where numerous games were available under the direction of Mrs. Nelson Jackson, Jr. The games included darts, table tennis, monopoly, Chinese checkers, bowling, fiddlésticks, etc. Another group gathered around the piano and sang popular songs with Mrs. Edwin Beach and Mrs. Bernard Manning taking turns at the piano. A devotional period was conducted by the Rev. George M. Schreyer of the Methodist church, who is a lieutenant reserve. Mrs. Schreyer played the piano for the religious songs.

A committee of ladies from the various churches of the community with Mrs. F. P. Bacon as chairman, served a delicious buffet supper consisting of hamburgers, spaghetti, bean salad, hot buttered buns and coffee. After which games were played until the buses came for the soldiers at the Parish House at 8:30.

This is the first of a series of such entertainments sponsored by the churches of the community to help entertain the soldiers at Camp Croft. Rev. Charles L. McGavern is general chairman. The next entertainment will be in February.

The names and hometown addresses of soldiers turned into the Bulletin office are as follows:

Jesse Lancaster, Theodore, Ala.
