THE TRYON DAILY BULLETIN

The World's Smallest Daily Newspaper, Seth M. Vining, Editor.

Vol. 15. Est. 1-31-28

TRYON, N. C., TUESDAY, MARCH 3, 1942

COMMUNICATIONS

Dear Mr. Vining,

Never can the Tryon friends realize the great depth of friendship existing between them and us!

Our life over night was changed from a warm, peace-loving fellowship into a hard, cold, routine Army way of living. Of course, it is a high privilege to be selected to serve one's country, and it is only the determination to save our Democracy and our homes that could ever cause a Minister of God to go onto the battle field.

Please say to all our many friends that we greatly appreciate their acts of kindnesses, their many letters, and their much needed prayers.

May God bless this land of ours—may friends once again meet somewhere, somehow.

W. D. Mrs. George M. Schreyer
Co., 21st Bn., 7th Reg. BIRTC,
Fort McClellan, Ala.

P.S.—The Bulletin is worth its weight in gold to us, carrying just the information we needed so promptly.

Owing to repairs at the Library, the regular monthly meeting of the Lanier club will be held at the High School on Thursday, March 5th at 3:30.

Mrs. Bessie Wilson Ralston of Asheville, Librarian of the Bookmobile, sponsored by the Pack Library, will talk on her work of distributing books in the remote sections of Buncombe county.

All those interested in hearing Mrs. Ralston are cordially welcome.

First Aid Classes Are Being Organized Here

Preparations for teaching first aid to the residents of Polk County as an important measure in civilian defense are being made according to Marcus B. Caldwell, chairman of the Red Cross First Aid Committee for the county.

Three classes have been formed with two starting this week. The men's class was to start last night at city fire department, receive their first aid books, and meet each Monday night at 7 p. m. Dr. Austin Woody will be in charge of instruction until the twenty-four hour course is completed. All boys and men who are interested are asked to register at the Town office this week if they were unable to be present. The classes will be held at the Tryon Fire department.

The Junior Class will be under the direction of Mrs. David Hedekin and Mrs. Martha Lightner Boone, both of whom are qualified Red Cross Instructors. Two classes are to be conducted each week in the Science Hall of the Tryon School, on Wednesdays and Fridays from 4 to 6 p. m. This course requires fifteen hours for completion, and is open to girls under sixteen.

The class for ladies will be conducted by Dr. William St. Julien Jervey, assisted by Mrs. Hedekin and Mrs. Boone. Those wishing to take the course are asked to register with Mrs. George A. Cathey at the Blue Ridge Weavers. The initial meeting will be held on Tuesday night, March 10 at 7:30 p. m. at Missildine's Hall where this class will be held.
