Country Club Directors Adopt Resolution On Loss Of Beloved Vice-President

The Board of Directors of the Tryon Country Club, at a special meeting held on March 7th, 1942, adopted the following minute as an expression of their personal sorrow, and on behalf of all the members of the club.

"In the death of Edgar C. Rowe, vice-president of the Tryon Country club, chairman of the Grounds committee and former chairman of the Tournament committee, we feel that the club has suffered an irreparable loss. By his friendly and cheerful manner, his loyal friendship, his un-failing interest in club affairs and his efficient discharge of every duty, he endeared himself to us all.

We shall sorely miss his cheery greeting, his congenial companionship and his faithful co-operation. His memory will ever be dear to us. May his spirit continue to inspire us.

We direct that this minute be spread upon the records of the club and a copy sent to his family, as an expression of heartfelt sympathy."

Adult First Aid Classes

Tonight at 7:30 the men's first aid class will hold its initial meeting at the Firemen's Hall. All men planning to take this course are urged to be present.

On Tuesday night at 7:30, classes for men and women will begin, with the meetings being held at Missildine's hall.

Beta Club Delegates Return From State Convention

At the seventh annual North Carolina Beta club convention held in Raleigh over the weekend, Miss Elizabeth Anne Vining of Tryon, was elected vice president.

The Beta club organization is a national high school scholarship-leadership-service club with 214 chapters in North Carolina. More than 700 delegates attended this convention.

Other officers elected were Walter Foil Brinkley of Lexington, N. C., president; and Frederica Wadsworth of Clarkton, N. C., secretary.

Tryon representation at the convention were Jane Meriwether, president of the local chapter; Dot Millikin, local secretary; Miss Anne Sevier, sponsor and Jean Brantley, Holland Brady, Claudia Helms, Dick Arthur and Elizabeth Anne Vining.

RED CROSS WORK ROOM REPORT

Women of Tryon, don't let your war efforts dwindle! The attendance at the Red Cross Work Room needs stepping up, and enough materials and yarn have come in to keep us busy. In order to conserve fuel and electricity the work will still be concentrated on Tuesdays, Wednesdays and Thursdays, but there is need for more workers, both on simple basketing and on machine work and on knitting. There are boys' shirts and convalescent robes in process of making, and the following total of garments has already been completed since the Red Cross
